Fifth grade teachers will request donations around \$60.00 to cover admission and transportation fees for field trips during the school year. I will give you an exact number soon after school starts. Please note that while it is permissible under state law for IUSD to collect fees for field trips, all students will be allowed to participate regardless of whether a contribution is made.

PTA Room Representative:

PTA room representatives will also request parent support and a small donation to cover classroom parties and events. Please note, contributions are voluntary and all students will be allowed to participate regardless of whether a donation is made.
