

Santiago Hills Supply List – 2020-2021

3/4 Combo Class

Santiago Hills will provide all of the necessary supplies for your child to have a quality educational experience. However, you may choose to assist the school by purchasing any of the supplies on our wish list for your student to use at home during Distance Learning and at school when we return to campus. Supplies are specifically for your student and will not be shared. Unless otherwise noted, supplies will need to be carried to and from school, so students can use them at home and at school. Please note, contributions are voluntary and all students will be allowed to participate regardless of whether a supply donation is made. Supplies will be made available by the school for home use if you are unable to assist the school by purchasing these supplies for your student's use.
